

## DONUTS, DONUTS & SOME MORE DONUTS!

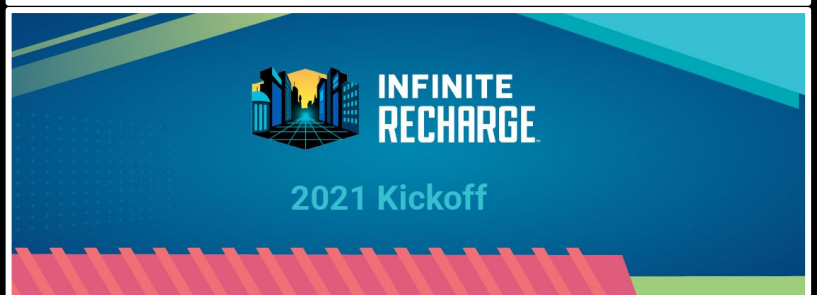

Team Fundraiser

To raise money for the season, Team 7157 has launched a Krispy Kreme fundraiser! To help **support the team**, you can purchase donuts by the dozen (\$10/dozen) from Elin by texting or emailing "**KRISPYKREME**" to:

**elinjang0811@gmail.com**  
**(213) 369-5358**

## Season Kickoff!

This year's FIRST Robotics Competition will be a virtual challenge of many sorts! Teams have the option of competing in a continuation of **INFINITE RECHARGE** at home or a **GAME DESIGN** challenge, of course competing for traditional awards at the same time. With the frequently changing status of opportunities for competing in person, it is not yet clear if there will be a minimized in-person competition, but it is certainly a possibility!

## Care Packages & 7157 Face Shields!

Team 7157 is proud to announce that they hit their goal of providing **7,157 face shields** to local hospitals during the COVID-19 pandemic! They are not only continuing to contribute to the community with face shields; they've raised **\$13k** with the support of 22 businesses to **assemble 350 care packages** for the healthcare workers and firefighters of the community. The team has made deliveries to St. Jude, the Brea Fire Department, and the Fullerton Fire Department.
